

# SEACYCLE - 1 to 4 people «Videos on photos»

Have a good times “spring, summer, fall”... and keep fit guaranteed !

## Here are the possibilities with the SEACYCLE:

- Easier to pedal than a paddle boat and 5 times faster...cruising at 8 km/h, sprint at 12 km/h !!!
- Possibility to train and loose weight...  
Close to 700 calories in 1 hour at 65% of heart rate (fat burning zone)
- Each person pedal at its own pace...it can also be driven in solo since there is a rudder...
- Calm waters or waves up to 3 feet with wind...  
The Seacycle is high above the water so you don't get sprayed like on a paddle boat, no water can come in also !
- Can be used as soon as the ice are melted and until the next winter !
- Exploration, picnic, swimming, camping, fishing, apéro and more...
- Slow or fast cruising...
- Lakes, rivers, oceans...
- Zero noise, zero pollution...
- Assembly without tools in less than de 10 minutes...
- Very light, it can be transported on the roof top like 2 kayacs...
- Electric motor option in order to use the SEACYCLE as an **ELECTRIC BOAT**...
- **Sail Option exclusive at Seacycle Canada**
- You will want to go for a cruise, guaranteed!
- The Seacycle is an investment in your health and happiness now, and for the long term... See the [CUSTOMER FEEDBACK section in our website](#)...

« **SATISFACTION GUARANTEED... for 25 years +»**
